April 2022

Good afternoon,

**End of Term: Friday 1<sup>st</sup> April 2022**

**Easter Holidays: Monday 4<sup>th</sup> April 2022 - Tuesday 19<sup>th</sup> April 2022**

**Nursery Closed: Good Friday - Friday 15<sup>th</sup> April 2022 and Easter Monday - Monday 18<sup>th</sup> April 2022**

I can't believe we are at the end of the Spring Term and two thirds of the way through this academic year already - where has the time gone!

**We still have had a number of parent/carers arriving late to collect their children, particularly around 1pm, 4pm and 5pm collection times.** If you are not on site before the due time of departure and arrive late, I am afraid a late bill will be issued. It is incredibly difficult to maintain ratios during a lunch period when parent/carers are late, meaning staff are going on lunch late and several staff finish their shift at 4pm and 5pm, again this is impacting on their departure time, which is unfair. **A late bill is £5 up to 15 minutes and will be issued each day a parent/carer is late on site.** We appreciate that we are not able to always get the children to you quickly due to hand washing and gathering belongings, however this is not always helped when parent/carers are late or pushing their arrival time to the last minute. If your child is due to finish at 1pm, they should be signed out at 1pm or before for example.

Just to remind you all, we use the outdoor space all year round in all weathers therefore can I please ask that you ensure children are appropriately dressed for nursery, with a rain mac or coat and wellies (if your child does not have a pair in nursery) and please apply sun cream if the weather is hot prior to your session starting. If your child attends all day we will apply or help your child apply sun cream after lunch time ready for the afternoon session. Could I also take this opportunity to remind you all to label EVERYTHING with your child's name, so we can re-locate the owner quickly.

It is with regret to inform you that Amy will not be returning after the Easter holidays. We wish Amy all the best in her next adventure. If Amy was your child's Key Person, you have been updated on who their new Key Person is on eyLog.

**While the Government restrictions towards COVID-19 have been eased, we are continuing to not accept any children in who have or are displaying symptoms of being unwell. This includes a 'common cold' or a 'snotty nose' as we need to protect the safety of all children, families, and staff as well as the business moving forward. We will also not be accepting any children into setting who have been given any pain medication such as Calpol before arriving to setting. If we must administer pain medication or feel your child is unwell, we will automatically be sending them home to reduce the risk of spreading any type of illness or virus. If your child is unwell, please keep them at home. Children recover from illnesses when they can rest properly in their own homes.**

**If you, your child, or any member of your household shows any signs or symptoms of COVID-19, please ensure you follow the NHS/Government guidelines and inform us. While children under 5 years of age do not need to take regular Lateral Flow Tests, we will ask for one to ensure the safety of all children in Setting. Lateral Flow Tests are the first ways to know if your child has or has not got COVID-19.**

April 2022

We are continuing to not allow parents or carers into the building to reduce the risk to all our children and staff on site, this will be reviewed regularly in line with our risk assessments, and we will of course inform you of any changes. **Please ensure you wait in the carpark, and we will bring your child/children to you.** If you can't see a member of staff at the door, please come in and press the buzzer and **return to wait** in the carpark. **Parents should not be waiting in the entrance hall.** We will be ensuring the learning environments are well ventilated and therefore the windows will be slightly open to allow ventilation, therefore please ensure you provide your child with a jumper/cardigan/hoodie for indoors as well as their usual coat for outdoor play.

If you have any spare rolls of wallpaper at home that you no longer need, please think of us, our Pre-School children can easily go through a roll a week with all their fantastic mark-making! If your place of work is also throwing paper that can be used by our children, please feel free to donate it to us. Pre-School also need an endless supply of corks, plastic, and metal bottle tops for their woodwork projects, if you can start saving these and bring them in it would be greatly appreciated.

We have a number of children who are currently toilet training, the Birth to Three Plus team have asked that if this is your child could you please ensure you provide **plenty** of the following: underwear, socks, joggers/leggings, 'croc' or jelly type shoes (they can be wiped and cleaned easily as plastic) and a plastic carrier bag or spare bag for wet belongings to be returned to you. We can only keep toilet training with your child while we have the supplies to support toileting accidents. If you would like more advice, please speak to Esther or Donna or ask for a photo from our 'Toilet Training' information board.

Esther has started Fledglings (Non-Mobile Baby Group) to support our new parents in the community celebrate the birth of their little one. This is held in a separate location to the Nursery to ensure no direct impact on the children in Setting and has been risk assessed in line with government guidelines. If you know of anyone who maybe interested in this group, please let them know. For more information, please ask Esther.

Part of young children's development is allowing them to be have a good understanding of physical health and making good food choices, children should have up to 180 minutes of physical exercise a day, this involves moving their body in lots of different ways to develop muscle strength in all body areas, such as developing fine motor control through threading, mark making, manipulating items with their hands, using cutlery successfully, to large motor control through running, jumping, hopping, crawling, moving with greater control from one space to another. When we talk about physical exercise, this is children moving freely throughout the day around the home or in an outdoor space, an example of this is in Setting is the children do not have chairs, unless they are eating and drinking, therefore giving them the opportunities to stand and move while doing activities around them or stretching out over a floor space. We also discuss each snack and mealtime or during play with the children about healthy food choices, for example talking with them about how milk makes them grow big and strong as it contains calcium that helps our teeth and bones. While preparing dinners, it a great way to explore what foods support children in making healthy choices, and what foods are okay as a treat sometimes. Children often tell us how they feel after physical exercise and when they feel hungry, tired, and thirsty.

Can I please ask that if you use our car park that you park in an allocated space? Our children must move across the car park to get into the garden, and it is becoming increasingly more challenging when vehicles are parked in front of the gate to the garden or at the top of the stairs. We talk about how to cross over safely, and the children talk about how it is safe to cross.

We really appreciate your parental observations, photographs, and videos as they really do support your child's learning journey and encourage you to send them in as often as you can. Many of your child's important learning experiences occur away from nursery at home. Parental observations will give us important information about your child's interests, experiences, and developmental progress which we can use alongside our observations of your child to support their learning journey. If you have not activated your eyLog link please do so, each child has their own personal learning journey, and it will be great for you to keep up to date with their learning process. This is where notifications and invoices are also sent.

Please ensure that you keep us updated of any changes to telephone numbers, addresses, emergency contacts and email addresses, so we can always ensure effective contact with you. Continue to read on for further information and most importantly diary dates. I would like to take this opportunity to thank you for your continued support.

Lynn and all the staff team at Keep Guard Day Nursery.

## 2 Year Old Funding

Have you got a 2 year old?

Did you know your 2 year old could get up to 15 hours a week free care, learning and play here?

Your child will have the opportunity to learn through play, make new friends, try different activities, improve their communication, and get a good start to their education.

Your 2 year old may be eligible if one of the following apply:

1. You are in receipt of one of the following benefits:

- Income support
- Income-based Jobseekers Allowance (JSA)
- Income-related Employment and Support Allowance (ESA)
- Support through Part VI of the immigration and Asylum Act
- The Guaranteed element of State Pension Credit
- Child tax credit, and have an annual income (as assessed by HM Revenue and Customs) that does not exceed £16,190

2. Your family received working tax credit with a household income of less than £16,190

3. Your 2 year old has a statement of special educational needs or an education, health and care plan or is in receipt of Disability Living Allowance.

4. The 2 year old is currently in the care of the Local Authority (LAC) or has left care through a special guardianship or an adoption or residence order.

To find out more and apply go to [www.bedford.gov.uk/2yearfunding](http://www.bedford.gov.uk/2yearfunding) or call Bedford Borough Family Information Service on 0800 023 2057.

## 30 Hour Offer

The eligibility checker at <https://www.childcarechoices.gov.uk> is now live for you to check if you are eligible for the 30 hours offer for working families with 3 and 4 year old children.

You will receive a DERN code that you will need to provide us with along with your name or names and your National Insurance number/s which we will need to send in to the Local Authority with your consent along with your child's name and date of birth to confirm your eligibility for the funding.

Without this information we will not be able to provide you with 30 hours funding offer: however, you will still be eligible for the 15 hours universal funding. Please note that the following cut off dates apply for obtaining a DERN code: 31<sup>st</sup> August for the Autumn Term, 31<sup>st</sup> December for the Spring Term and 31<sup>st</sup> March for the Summer Term.

If the initial code is not applied for by these dates Bedford Borough will not be paid for the extended 15 hours until the following term. Parents need to check their eligibility on line every three months and in turn inform us that they are still eligible; otherwise, they may not continue to receive the additional funding.

If you encounter any difficulties applying on line, please contact HMRC on 0300 0123 4097

## Early Years Pupil Premium (EYPP)

Some children who are receiving the 3 and 4 year old free 15-hour education entitlement could be eligible for EYPP. This means that your child's nursery, preschool, or childminder could get up to £300 each year to support your child's learning.

We will work with you to consider the learning needs of your child and the additional funding will be used to support your child's development. This could be through the purchase of new resources, training staff or buying services from external agencies such as toy libraries and music groups.

During our recent Ofsted inspection, we were required to show how the funding is used.

## Is my child eligible?

3 and 4 year-olds in state-funded early education will attract EYPP funding if you meet at least one of the following criteria: • Income Support • Income-based Jobseeker's Allowance • Income-related Employment and Support Allowance • Support under part VI of the Immigration and Asylum Act 1999 • The guaranteed element of State Pension Credit • Child Tax Credit (provided they're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190) • Working Tax Credit run-on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit • Universal Credit.

## Developing Independence

We actively encourage children to be as independent as possible getting their coats and shoes on. Unfortunately, some children are struggling to put their shoes back on due to 'laces'.

Velcro shoes are perfect for nursery and offer the children a sense of pride and achievement once they are on.

April 2022

## Diarrhoea and Vomiting

If your child has had a bout of diarrhoea OR sickness, they must remain at home for 48 hours after their last bout, as stated in our 'Sickness and Illness' Policy.

## Parking

We ask that all parents and visitors using our car park, park their vehicles in the designated parking bays, and do not park across three spaces or drop off right outside the main entrance. This causes congestion and danger to children and their families.

## Nappies and Toilet Training

Please can I remind parents with children requiring nappies to ensure there is a sufficient amount brought in for your child.

We would kindly ask that if your child is toilet training then you provide plenty of changes of underwear, socks and joggers or leggings. Plastic 'croc' style shoes or jelly shoes are also a good idea as these can be easily washed if an accident does occur.

Please see the 'toilet training' display in the entrance hall for lots of ideas and support.

## Five to Thrive

We would like to introduce Five to Thrive to all our Parents, which is the things you do every day that help your child's growing brain. Your child's body grows better when you give your child good food. Your child's brain grows better when you do five simple things that feed their growing brain:

- Respond
- Cuddle
- Relax
- Play
- Talk

## Birthdays

If your child is celebrating their birthday whilst at nursery and you would like to bring in a treat to share, we would kindly ask you to bring in NON-FOOD gifts, for example, balloons, bubbles, pencils. NO SWEETS/CAKES/RAISINS. Thank you.

## Paper Request

Does your work throw out any old paper big or small, end of big rolls or use large computer paper (tricky now as everyone is trying to go paperless) or rolls of wallpaper?

We are always in need of paper for the children's drawings and paintings. If you know of any paper being thrown out, please see Esther.

## Christmas Closure 2022

Please note that the whole of Keep Guard will be closed over the Christmas period from Thursday 22<sup>nd</sup> December 2022, and we are back open on Tuesday 3<sup>rd</sup> January 2023 for all-year round children and Wednesday 4<sup>th</sup> January 2023 for term time and funded children.
