Fees are payable on the **28<sup>th</sup> of each month**. Preferably fees should be paid by internet bank transfer or Debit/Credit card. Payments can alternatively be paid by a cheque or cash payment.

The monthly fees are calculated in the following way:

The session amount and number of sessions per week are multiplied by the average number of weeks in a month (which is 4.345). This figure is then multiplied by 12, minus three weeks care at 50% and then divided by 12 to reach your regular monthly payment amount plus a daily charge for a mid-day meal.

For example:

2 morning sessions per week:

2 Sessions x £22.00 =£44.00

X 4.345 = £191.18

X 12 = £2294.16

- £66.00 (3 weeks at 50% holiday allowance)

= £2228.16

/ 12 = £185.68 regular monthly payment amount

**Prices for Full Day Care - September 2018 includes 3 weeks holiday allowance at 50%.**
